

The Saskatchewan Science Centre Brings Popular Summer Day Camp, Science Superstars, to communities of La Ronge, Prince Albert, and Lloydminster this summer

(July 3, 2023) – Regina, SK – Get ready to ignite your child's curiosity and unlock their inner scientist as the Saskatchewan Science Centre brings its popular Summer Day Camp, Science Superstars, to the vibrant northern communities of La Ronge (July 17-21), Prince Albert (July 31-August 4), and Lloydminster (August 8-11).

Science Superstars is designed for kids aged 8 to 13 who are eager to dive headfirst into the exciting world of science. This action-packed camp promises an experience like no other, as budding scientists will have the opportunity to embark on an unforgettable journey where they become the stars of their own scientific explorations.

"We're thrilled to extend the reach of our Summer Day Camps to the beautiful communities of northern Saskatchewan," said Jesse Searcy, Director of Programming at the Saskatchewan Science Centre. "Our goal is to provide children all over Saskatchewan with an engaging experience where they can develop a passion for science while having an absolute blast."

Led by a team of enthusiastic and knowledgeable Science Educators, Science Superstars offers a diverse range of captivating themes and topics that will captivate your child's imagination. From exploring the wonders of building and coding robots to unraveling the secrets of biology, each day will be packed with mind-expanding activities that encourage critical thinking, creativity, and curiosity.

Don't miss out on this incredible opportunity to ignite your child's love for science! Spaces for Science Superstars are limited, so make sure to secure your spot today. Registration is now open, and you can find more information and sign up at www.sasksciencecentre.com/daycamps.

About The Saskatchewan Science Centre

The Saskatchewan Science Centre is a non-profit, non-governmental educational facility with the mission of igniting scientific curiosity and innovation in Saskatchewan communities through interactive, dynamic and engaging opportunities. Our vision of the future, in fulfilling that mission, is inspired minds through science and innovation. The Science Centre is one of Saskatchewan's largest family tourist attractions with close to 6 million visitors since its opening in 1989.
