

# CORPORATE MEMBERSHIP PROGRAM 2024

**SASKATCHEWAN  
SCIENCE CENTRE**

*Real science. Real fun!*

Imagine the future of our province: Saskatchewan is growing like never before, opportunities are everywhere, and our possibilities are limitless. To achieve this potential, we need a highly skilled, innovative, and adaptable workforce. We need young people who are inspired and equipped to discover new things and find bold solutions in unexpected places.

The growth of our economy and the workforce of tomorrow requires new kinds of skill sets that STEAM (science, technology, engineering, art, and mathematics) education ignites, including problem-solving, experimentation, collaboration, and communication. As Saskatchewan grows, providers of STEAM education are taking on a larger role to assist in the development of a mature workforce that is ready to embrace opportunity.

One of the best ways to do this is to provide all Saskatchewan citizens the opportunity to be inspired by science, technology, engineering, and math in discovery-based learning environments as the Saskatchewan Science Centre.

## **IGNITE SCIENTIFIC CURIOSITY IN SASKATCHEWAN THROUGH A CORPORATE MEMBERSHIP**

Saskatchewan Science Centre Corporate Members are instrumental to the continual development of STEAM-learning in our province, supporting all facets of the SSC. Ultimately, our corporate members are leaders in our community who have a vested interest in supporting STEAM-learning and the development of STEAM-skill sets, instilling a sense of wonder and thirst for discovery in young people today to ensure a bright future for our province.

## **SASKATCHEWAN'S SCIENCE CENTRE**

Who are we? The Saskatchewan Science Centre is a non-profit, non-governmental organization with a mission to ignite scientific curiosity and innovation in Saskatchewan communities through interactive, dynamic, and engaging opportunities. As the only interactive science centre and institutionalized IMAX theatre in the province, we contribute significantly to the quality of life and pride of Saskatchewan.

Though we are located in Regina, we are truly Saskatchewan's Science Centre. Our visitors come from every corner of the province and from across Canada and world to discover science in a unique way, especially as STEAM relates to our province. Tens of thousands of school children come to the Science Centre on field trips because educators believe that the work that we do is important. For those who can't make it to Regina, our GO! Science outreach team travels to communities, classrooms, and libraries across the province to spark curiosity in STEAM. We believe in giving every child and person the opportunity to experience the Saskatchewan Science Centre. To that end, the Discovery Fund makes it possible for deserving groups to visit the SSC or experience a GO! Science outreach visit to their community even when there are financial barriers.

# CORPORATE MEMBERS DRIVE INNOVATION

---

Our Corporate Members are leaders in their industries in our communities. Whether they are entrepreneurial ventures or multi-national corporations, they contribute immensely to our success and the future of our province.

---

Being a Corporate Member at the Saskatchewan Science Centre is unlike any other membership, allowing you to choose benefits that provide your organization the best return on investment. The benefits of a membership at the SSC can be felt across the province through excellent programming and accessibility for youth – your future workforce. Corporate Members, like you, allow us to do the work that we do best.

## FLEXIBLE LEVELS OF SUPPORT

### PLATINUM

\$5,000

+ GST and PST

### GOLD

\$2,500

+ GST and PST

### SILVER

\$1,000

+ GST and PST

At each level of support, your business receives the following guaranteed benefits:

- ✔ Name on the SSC Corporate Members Page with a link to your website
- ✔ Invitations to VIP Events
- ✔ A vote at the SSC Annual General Meeting
- ✔ Opportunities to participate on the SSC Board of Directors
- ✔ Recognition as a supporter of a Saskatchewan classroom to attend the SSC through a contribution to the Discovery Fund

Based on your membership level, you can also receive any of the following **à la carte options**:

PT

**Choose 5**

AU

**Choose 3**

AG

**Choose 1**

1. 3 complimentary one-year SSC Family Membership to use at your discretion
2. 25% discount on any rental of SSC Exhibit Floor, Board Room, or Kramer IMAX Theatre
3. 25 SSC admission passes
4. 25 IMAX documentary passes
5. **Gold and Platinum ONLY** – 2 complimentary tickets to the 2024 Annual Fundraising Event
6. **Platinum ONLY** – 1 complimentary sponsorship of a 2024 Adult Science Night (assets to be negotiated)

## **“TOP UP” YOUR MEMBERSHIP TO SEND MORE CLASSROOMS TO THE SASKATCHEWAN SCIENCE CENTRE**

Each year through the Discovery Fund, the SSC works to provide financial assistance to classrooms who do not have the means to attend the Saskatchewan Science Centre on a school visit. Year over year, this fund and the programs are sold-out with a growing demand from more schools.

For an additional \$500 donation, you are helping us achieve our goal of “igniting scientific curiosity” within all Saskatchewan youth. If you are interested in “topping up” your membership, you will receive a tax receipt for your donation.

**DISCOVERY**  
FUND
